Woodland – Blue tote in equipment room

- We MUST keep the lockers, equipment rooms clean and organized and pick up after ourselves. We don't want to lose any of our gyms.

Everyone should have the lock combinations. We have to ensure that the equipment gets put back and that everything is kept neat and tidy. It is important to keep the schools, as it will be difficult to find a new school. Please stress with the players of your team to keep everything neat.

Woodland- Everything is in a blue bin on the bottom shelf. The poles are in the room as well, and the wood stool for the ref. The benches need to come out and put the benches back at the end of the night. They cannot be left out as it is a safety issue for the school.

Team Pictures- Vices will be taking team pictures in October.
